

Tiers, format & pricing

If these prices present an obstacle, PLEASE contact me.

These tiers provide easier access if you don't need one-on-one counseling and/or if you want to begin working on something more quickly and less expensively. Or to learn if I'm the right person to work with you on a particular issue.

The more progress you make, the less you pay.

Feel free to ask us how this works.

What's the right tier for you to START?
